

30TH ANNIVERSARY SAAB 900 NG / 9³ OG. September 2023

International meeting 30th ANNIVERSARY SAAB 900 NG / 9³ OG. Estepona (MA) 29-30.09 / 01.10.2023

On September 2023 it will be thirty years since the market launch of the SAAB 900 "Next Generation".

We are many fans who admire this model and its subsequent evolution 9³ OG.

To commemorate this anniversary, several SAAB fan clubs and groups in Spain are going to gather the maximum number of units in a great event to be held in September 2023. It will also coincide with the autumn concentration of SAAB Club Spain.

Any other SAAB model will be welcome to the event, of course.

To attend you just have to send us an email to: saabautomovilclubandalucia@gmail.com

and we will add your 900 NG / 9³ OG to our list of participants.
